John Lennon and Me - The winner of many national awards, this uproarious play about life, death, power and first boyfriends was adapted by the author from her popular book, Good-bye, Best Friend (Harper Paperbacks, 1993). Hollywood-wannabe Star, the ultimate Beatles fan, has her path stymied by cystic fibrosis, an inherited disease that assures a young death. She spends most of her time in the hospital, where she confronts fate with imagination by surrounding herself with MTV-inspired bodyguard Flunkies and 'morphing' her dreaded therapy nurse into a pro-wrestler. Then, Star gets a new roommate, Courtney, who is Star's opposite: a pretty cheerleader and apparently not very sick. Neither girl knows much about the other's world, but eventually they come to understand each other, and ultimately, themselves. This is a powerful play about living life to the fullest and a proven hit for students and family alike. Family friendly.

Featuring: Katie West, Chelsea Nevil, Mallory Baumann, Mackenzie Hupp, Kristen Davis, Colette Harper, Jack Schad, Ian Condra, Vincent Hogue, and an ensemble of NAHS actors
